MESSAGE FROM THE DIRECTOR

Eid Mubarak! The end of the school year is quickly approaching and I could not be more pleased with the progress we have made as a UCA family this year. I know I have mentioned this many times throughout the school year, but I am incredibly proud of what we have achieved TOGETHER as a learning community. As we begin the final quarter it is very important we all maintain our focus and keep our priorities in check. I want to encourage all of our students and parents to stay committed to ensuring our students' academic achievement for the remainder of the year. The challenges we continue to face are significant, however, I am confident we will emerge victorious at the end of this school year. Please be confident every single member of the UCA team is committed to provide the support and encouragement necessary to prepare our students for a successful future. We are with you every step of the way!
