## UCA Dismissal Plan 2021-2022

Updated September 20, 2021

### OVERVIEW

At UCA, the safety of our students is our first priority. In order to maintain as safe a dismissal as possible, please carefully review the information below.

All students must be picked up between 1:50 pm and 2:00 pm. At 2:00 pm, the campus is closed to students. We ask for your cooperation with this as we are not able to provide supervision after 2:00 pm.

#### **Car Pickup (Middle Gate)**

Parents may begin entering the campus through the middle gate at 1:30. Please note the lower gate will be closed for student pickup in the afternoon. Parents temperatures will be checked by UCA personnel. Persons with a temperature above 37.5 degrees will not be allowed to enter the campus. Parents who are ill should make other arrangements for their children to be picked up. Please note those arrangements must be communicated to the UCA Administration prior to dismissal at the end of the day.

In order to ensure a smooth and orderly process, UCA staff will assist parents in entering the campus and parking their vehicles. Parents must pay close attention to directions given by UCA staff at all times. Parents who do not abide by the requests of UCA staff will not be allowed to enter the campus with their vehicles. With the exception of KG parents, parents are required to stay in their vehicles at all times. Parents are required to wear a mask at all times when exiting their cars.

#### **Independent Departure**

Students departing independently should leave campus as soon as school is dismissed. Students may take their younger sibling with them as they leave. Students in grades KG1-KG3 will be supervised in the cafeteria while they wait to be picked up. Parents picking up KG students should line up outside the cafeteria under the blue awnings. Parents will be expected to follow social distancing guidelines at all times.

#### **Busses**

Students who ride the bus should proceed directly to their busses upon dismissal.
