MESSAGE FROM THE DIRECTOR

Dear UCA Parents and Guardians,

I am pleased to announce the tuition and fees schedule for the 2022-2023 school year. Please pay careful attention to the information included in this document as it outlines significant changes to the registration process, as well as additional registration requirements for parents and students. UCA would like to continue offering its outstanding educational services to our dear students with the cooperation and support of the parents. Please note while we have been able to provide some flexibility with deadlines in the past, the current economic circumstances in the country make it difficult to do so this year. Kindly pay careful attention to all deadlines in order that you may make your payments on time.

- Digital subscriptions
- Digital subscriptions, such as Wonders, will be necessary to augment the learning program. Additional subscriptions may be announced before the start of the 2022-2023 school year.

- Pencils
- Pens
- Highlighters

- Sufficient number of devices for each student to simultaneously participate in the UCA instructional program
- Tablets, iPad, laptops
- Reliable home internet with sufficient speeds
- Data Plans
- Parents must secure sufficient data plans in order for their students to successfully engage in learning

Bring Your Own Device (BYOD)

UCA is committed to preparing students for the 21st century. In order to continue to meet this challenge, UCA students in grades 6-12 will be required to bring their own devices to school to use as a tool for learning. Acceptable devices are as follows:

Tablets with external keyboards i.e. iPad Air, Microsoft Surface, Samsung Galaxy Tab S8, etc. Please contact the UCA IT Coordinator if you have any questions regarding whether or not your tablet meets UCA's requirements.
